

Welcome to our communication platform Kinderloop Plus

Kinderloop Plus is a safe and secure communication platform which allows for regular updates from Glen Education to families, and it's completely free.

Upon downloading the app, you will have the ability to receive communications from us that will help foster a stronger connection with your child's kindergarten experience and ensure you stay informed about important service specific and community-wide information.

Information about Kinderloop:

- It is free to download and simple to use
 - Is available on any smartphone or tablet
 - It is a safe, secure and private communication platform
 - One way communication (kindergarten-to-family) communication
 - Kinderloop is a closed group by invitation only from Glen Education to families
- Provides easy access to program reflections and other important service and community information

How to connect to Kinderloop:

Family info

Kinderloop for your child

Your educator will send you a secure invite to view your child in their private Kinderloop, follow the steps below to create your account and access family features.

1. Receive the email invite

First, an email will be sent to you from your child's educators
Open the email and click on the link.

Powered by **Kinderloop**

Invitation

Kinderloop Demo Preschool have invited you to join Griffin's private Kinderloop.

Kinderloop is the new secure way you'll receive news, photos and videos from Kinderloop Demo Preschool about Griffin's day in care.

Accept Invitation

If you can't see the Accept Invitation button Click here.

If you would like to add additional family members to your child's private Kinderloop, please ask your educators to send them an email invite.

Thanks,
The Kinderloop Family

Agreement: By clicking the Accept Invitation button, I consent to my educator's provider using Kinderloop to send me updates and photos about my child and I will not share those photos anywhere other than Kinderloop.

Get the FREE app from your app store.

Available on the App Store
GET IT ON Google play

2. Create or link your account

For new users, click the new user button and enter a username/password, for existing users click the green button to link additional children to your account.

Welcome to Kinderloop

You have received an invitation from **Kinderloop Demo Preschool** to subscribe to **Griffin D's** private Kinderloop.

I already have a Kinderloop account, link children

I am a new user, I want to sign up

3. Login on the web and the free app

You can now access your child's private Kinderloop via the web login or by downloading the free Kinderloop Plus app from your app store.

How to invite family members to view your child's Kinderloop feed:

Please note the invitation must be accessed via the web version of Kinderloop (not the app):

1. Go to www.kinderloop.com on a web browser.
2. Log in to your Kinderloop account.
3. Click on "Profile."
4. Scroll down and find the option to invite family members.
5. Enter their email address.
6. Click "Send Invitation."
